

**DIOCESE OF TORONTO
ANGLICAN CHURCH OF CANADA**

March 8, 2022

To All Incumbents and Priests-in-Charge, York-Scarborough Area:

As students, many of us benefited from financial assistance, in the form of Bursaries, while studying theology. These bursaries helped us purchase books and other necessary supplies. For the last eleven years the York-Scarborough Area Council has offered bursaries to students going into their first year of post-secondary education. We have been very pleased with the response and a total of 132 young people have been given a helping hand since this initiative was started to encourage our faithful area youth.

The course of study need not be theology but can be any course of study at a recognized college or university.

We are writing to Incumbents/Priests-in-Charge with the hope that you may know of a parishioner who would benefit from a bursary for their education. Please note that applicants must demonstrate an ongoing active involvement in their home parish. We are enclosing a copy of the Application and ask that you forward it to the appropriate student. The completed form must be signed (electronic signature is fine) by you (the Incumbent or Priest-in-Charge) and then forwarded electronically by **May 20, 2022** to:

The Right Reverend Kevin Robertson

Attn:

swilloughby@toronto.anglican.ca

Please note that any forms that come in after the deadline of May 20, 2022 will not be considered for a bursary so please make sure that you get them in on time.

Handwritten applications will not be accepted.

Thank you for your assistance in finding faithful deserving students who could really benefit from a modest bursary.
